HEBEI PUSAI BICYCLE CORP.,LTD.

About Us

Hebei Pusai Bicycle Co., Ltd. is located in Guangzong County of Hebei Province, the largest bicycle manufacturing center in China. Our company is a large corporation accredited with ISO GB/T19001-2016(06524Q00949ROM), specializing in designing, developing, and manufacturing bicycles and bicycle parts.

We cover an area of 100,000 square meters with 70,000 square meters of building space. There are 60 production lines for bicycles and bicycle parts. Our annual production reaches 2,000,000 units for bicycles and bicycle parts. The main products include complete bicycles, brake cables, bicycle saddles, pedals, baskets, axles, and more. We have established an advanced system for sembalance designing, product assembly, and quality testing.

Our products are well-received across 30 provinces and cities in China and exported to over 30 countries and regions in North America, South America, the UK, Africa, Eastern Europe, and Western Europe, with an extensive and stable sales network.

Our corporate philosophy is "Integrity First, Quality Foremost, Service Paramount." We sincerely welcome customers from home and abroad to discuss business opportunities and look forward to establishing long-term cooperation for a prosperous future.

- ▲ Low compression
- ▲ Low-friction polymer liner
- ▲ Super-durable plastic layer, cold weather resistant
- ▲ OD. 4 / 4.5 / 5 / 6 / 7 mm
- ▲ High carbon content steel and rigid structural design creates super-low compression ratio for maximum braking responsiveness and precise shifting
- ▲ OD. 4 / 4.5 / 5 / 6 / 7 / 8 / 9 / 10 mm
- ▲ Compressionless shell for precise shifting
- ▲ Super light weight
- ▲ Double plastic layer for increased weatherproofing and durability
- ▲ OD. 4 / 4.5 / 5 / 6 / 7 mm
- ▲ High pressure hose uses a Kevlar weave and Tefzel inner liner to enhance braking power, resist expansion, and improve lever feel
- ▲ Pro Hydraulic Hoses are compatible with both mineral oil and DOT fluid braking systems
- ▲ When paired with the appropriate Quick-Fit adapters, these kits are compatible with most popular hydraulic disc brake systems
